- Pursuant to the Merger Agreement, at the Effective Time, these restricted stock units were converted into a number of Parent restricted stock units by multiplying the number of Company restricted stock units by the Merger Consideration and dividing by the 10-day average of the volume weighted averages of the trading prices of Parent Common Stock as of two trading days prior to the date of the Merger Agreement, and rounding the resulting number up to the nearest share of Parent Common Stock, and generally subject to the same terms and conditions, including vesting terms.
- Pursuant to the Merger Agreement, at the Effective Time, these restricted stock units were converted into a number of Parent performance-based restricted stock units by multiplying the number of Company performance-conditioned restricted stock units by the Merger Consideration and dividing by the 10-day average of the volume weighted averages of the trading prices of Parent Common Stock as of two trading days prior to the date of the Merger Agreement, and rounding the resulting number up to the nearest share of Parent Common Stock, and generally subject to the same terms and conditions, including vesting terms.
